ORDER

On December 17, 2015, Carrollton Utilities ("Carrollton") tendered a Motion to Dismiss or, in the alternative, to schedule depositions to occur prior to the scheduled January 20, 2016 hearing in this matter. Thereafter, the Commission on its own motion ordered Carrollton to tender a witness list and summary of the anticipated witness testimony no later than January 13, 2016.

The Commission now finds that additional time is required to fully consider and review Carrollton's December 17, 2015 motion, and therefore on its own motion finds that the terms of the December 22, 2015 Order requiring a witness list and the scheduled hearing should be suspended indefinitely.

IT IS THEREFORE ORDERED:

1. The Commission's December 22, 2015 Order requiring the filing of a witness list by January 13, 2016, is suspended indefinitely.
2. The January 20, 2016 hearing in this matter is suspended to a date to be determined.
